Самые лучшие прописи для подготовки к школе» помогут ребёнку сформировать и закрепить основные навыки письма. Издание поможет правильно поставить руку для письма русского и английского алфавита, а также цифр. Красочные иллюстрации способствуют лёгкому запоминанию материала посредством ассоциаций.

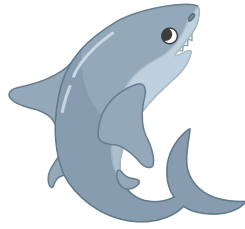

Издание дополнено методическими рекомендациями, которые подскажут родителям, как правильно подготовить руку ребёнка к письму.

Прописи серии «Суперпуперпрописи» подойдут для занятий дошкольникам и учащимся начальной школы. Они также могут быть полезны родителям, которые хотят помочь своим детям подготовиться к школе.
